Agriculture's Showcase A b r o a d . Sound, color, 16-mm., 13½ minutes.

Millions of the world's potential customers are seeing, feeling, and tasting American farm products colorfully and dramatically displayed at International Trade Fairs—from Tokyo to Zagreb, Europe to Latin America. In this film, we watch our friends abroad enjoy many of the miracles we have taken for granted—instant dry milk, fried chicken, and the supermarket. (Available for loan from land-grant college film libraries.)

Handling Fruits and Vegetables. Sound, color, 16-mm., 25 minutes.

Demonstrates efficient materials-handling systems and warehouse designs for wholesale distributors of fresh fruits and vegetables. Five systems for receiving and storing, three for assembly and truck loading are presented. Low-cost handling methods are described for a variety of widely used types of materials-handling equipment. Sound management practices and an efficient warehouse design are described and illustrated. (Available for loan from film libraries at Ithaca, N.Y.; Athens, Ga.; Champaign, Ill., and Fort Collins, Colo.)

NOTE: Single copies of publications other than those listed FOR SALE ONLY may be obtained free as long as the supply permits. Prices are given for the convenience of persons desiring to purchase these publications in quantities and for those who make frequent purchases of government publications.
